MURRAY GREYS

2007 Sale Results

New and return buyers competed strongly to secure their chosen lots at the 10th Annual Wallawong Production Sale, 19th July 2007. Bulls sold to \$7,500 for lot 2, Wallawong Quarterback, an 18mth old son of Lindsay Starbright S117.

Wallawong co-principal, Lachlan James, rated Quarterback as one of the best Murray Grey bulls recently produced. 'Not only was he visually impressive, he had exceptional performance and scan data' Lachlan commented. 'He is a bull that can be used over cows of any breed to generate great profits' Mr James added. Quarterback's excellent performance data was accompanied by substantial physical characteristics, weighing 725kg and scanning an EMA of 114cm². Return buyers, the Gall family, Moree purchased Quarterback to complement the two Starbright bulls they purchased in 2006.

Other sales of note included Lot 3, Wallawong Priority, a Pacan Taskmaster son for \$5,000. Priority weighed in at 790kg and possessed an EMA of 117cm². \$5,000 was also paid for the heaviest bull in the catalogue, lot 12, tipping the scales at 800kg, Wallawong Pandemonium, a Willalooka Pharaoh son scanned a 108cm² EMA and had fat scans of 10/6mm. He was purchased to be used over Greyman females to produce progeny for the domestic feedlot market.

Two bulls sold for \$4,500, lot 4 and lot 5. Lot 4, Wallawong Pentagon, another impressive son of Pacan Taskmaster possessed the highest EMA, scanning 122cm² and weighing 785kg. 'The line of Taskmaster bulls were very impressive and displayed the high quality carcass characteristics that we are breeding for' Mr James commented.

Also at \$4,500 was lot 5, Wallawong Patriot, a Monterey Starlight son who impressed buyers with his length, combined with an EMA scan of 114cm² while weighing 795kg.

In all 14 of 21 bulls sold on the day to average \$3821. This was complemented by the sale of 25 commercial females that sold to \$800 and averaged \$740. Another 8 bulls were sold in the weeks after the sale.

Wallawong Quarterback, top priced bull at the Wallawong Production Sale, 18mths, 725kg, EMA 114cm².
