Actual Data

Age	Weight	Frame Score	Scrotal Size	EMA
18mths	725kg	6.8	39cm	114cm ²
4yrs	1085kg	6.4	44cm	138cm ²

Quarterback is a dynamic sire. He was the top priced bull when sold as a yearling at our 2007 sale. His dam is a consistent producer of superior quality offspring. A full sister was sold as the top priced heifer at our 2008 sale, selling to Western Australia. He is by the elite carcass sire L.Starbright S117, whose male progeny have averaged over \$5000 at our annual sales. A high quality bull that we believe is suitable as a superior stud sire and true herd improver. He possesses excellent physical characteristics and performance data. He is in the top 15% for 600 Day Weight EBV and the top 1% for Eye Muscle Area EBV (2nd highest 2006 born Murray Grey bull for EMA EBV). He also combines sound growth with excellent carcass characteristics while maintaining calving ease and moderate birth weight. Actual birth weight 36kg. His calves have been born easily and stamped with his superior carcass traits.

Semen \$55 per straw
